MEH:mh  
Docket No: 5461-98  
25 May 1999

[REDACTED] USMC

[REDACTED]

Dear [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 25 May 1999. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by CMC memorandum 5300 MPP-25 of 1 April 1999, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER  
Executive Director

MEMORANDUM FOR THE EXECUTIVE DIRECTOR, BOARD FOR CORRECTION OF  
NAVAL RECORDS

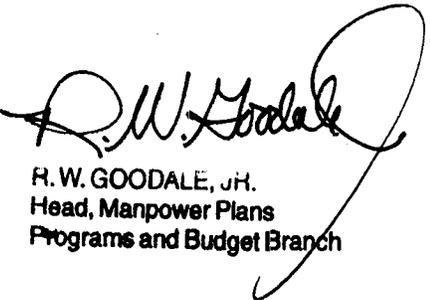

Subj: BCNR APPLICATION IN THE CASE OF [REDACTED]

1. Upon review of the subject route sheet and attachment thereto we submit the following comments:

a. [REDACTED] was erroneously awarded the 6031 MOS. Since his reenlistment of 980506 he has not completed the Naval Aircrewman Candidates Course nor has he been assigned duties and OJT leading to the 6032 MOS. Since Sgt Tarver was unable to train for the 6032 MOS he was given the option to either laterally move to another MOS or be discharged. On 990219 Sgt Tarver requested a lateral move back to MOS 5937. On 990313 his lateral move request was approved.

2. After researching the facts surrounding Sgt Tarver's reenlistment it is our recommendation not to pay Sgt Tarver the Selective Reenlistment bonus.

3. POC is Capt Cheryl Fitzgerald, MPP-25, 784-9361.
