MEMORANDUM FOR AFBCMR

FROM: HQ APRC/DPKB

SUBJECT: Application for Correction of Military Record,

1. The requested correction cannot be accomplished administratively at this headquarters.
2. The applicant is requesting 4 Inactive Duty Training (IDT) points be credited to make Retirement Year Ending (RYE) 21 August 1996, a year of satisfactory Federal service. The applicant is also requesting a waiver for fiscal year 1996 requirements as an Individual Mobilization Augmentee (IMA).
3. The following is an analysis of the circumstances surrounding this case:
 - a. Member began career in the United States Air Force (USAF) on 22 August 1985.
 - b. Records indicate applicant was appointed to the United States Air Force Reserve (USAFR) on 2 October 1994, and erroneously given this date as Retention/Retirement (R/R) date.
 - c. An Audit of record by HQ ARPC/DPKB on 24 October 1996, found this error and corrected R/R to 22 August 1985. This is the correct R/R as member has not had a break in service. Changing the R/R shortened the time member could participate resulting in an unsatisfactory year for RYE 21 August 1996.
4. Waivers for fiscal year participation are approved through the MAJCOM program manager. Member may apply for FY96 participation waiver by calling HQ AIA/RE at 1-800-531-1055, point of contact is MSgt Parker.
5. We recommend this application be approved since member was participating in good faith.

6. If this application is approved, 4 nonpaid IDT points would need to be awarded for RYE 21 August 1996. This year would then show 20 Active Duty (AD) points, 15 IDT points and 15 membership points resulting in 50 total and retirement points and a year of satisfactory Federal service.

7. If this application is disapproved, no further action is necessary.
