

ADDENDUM TO  
RECORD OF PROCEEDINGS  
AIR FORCE BOARD FOR CORRECTION OF MILITARY RECORDS

OCT 29 1998

IN THE MATTER OF:

DOCKET NO: 93-00955

COUNSEL: \_\_\_\_\_

HEARING DESIRED: NO

[REDACTED]

[REDACTED]

Applicant requests that his undesirable discharge be upgraded to general under honorable conditions.

A similar appeal was considered and denied by the Air Force Board for Correction of Military Records (AFBCMR) on 4 October 1993 (Exhibit F).

The applicant provided additional new evidence pertaining to his post-service activities for possible reconsideration of his application (Exhibit G).

Pursuant to the Board's request, the Federal Bureau of Investigation, Clarksburg, WV, provided an investigative report which is attached at Exhibit H.

After careful consideration of applicant's request and the most recent submission, we are unpersuaded that a revision of the Board's earlier determination is warranted. In light of the FBI report, we are of the opinion that the recently-submitted statements are insufficient to establish that the applicant has made a successful post-service adjustment since his separation, thereby warranting the exercise of clemency. In view of the above, and in the absence of expansive evidence pertaining to his post-service activities over a lengthy period of time; or, showing that his discharge was erroneous or inequitable, we once again conclude that there is no basis to disturb the existing record.

The Board staff is directed to inform applicant of this decision. Applicant should also be informed that this decision is final and will only be reconsidered upon the presentation of new relevant evidence which was not reasonably available at the time the application was filed.

Members of the Board Mrs. Barbara A. Westgate, Mr. Allen Beckett, and Mr. Henry Romo Jr. considered this application on 15 September 1998 in accordance with the provisions of Air Force Instruction 36-2603, and the governing statute, 10, U.S.C. 1552.
