MEMORANDUM FOR AFBCMR

13 JUL 1998

FROM: ANG/DPPU

SUBJECT: Application for Correction of Military Records - [REDACTED]  
[REDACTED]

The attached Application for Correction of Military Records submitted by the applicant, a member of the [REDACTED] Air National Guard, is forwarded for your review and action.

The applicant requests that a Supplemental Promotion Board be held as soon as possible to correct his date of promotion to Captain effective 4 Dec 96. If the 4 Dec 96, promotion date is not feasible, the applicant request a promotion effective date of 3 Mar 97. The applicant requests that he be granted back pay and allowances from the effective date of promotion forward.

This Headquarters recommends relief. The official military records should be changed to reflect the applicant met the Captains Promotion Board on 4 Dec 96, and was promoted to Captain with an effective date of 4 Dec 96. The applicant should be awarded all back pay and allowances due to the promotion processing error. The applicant was considered by the FY98 Reserve of the Air Force Captains Board and was non-selected for promotion. The FY98 boards were the first boards convened since the enactment of ROPMA on 1 Oct 96. ROPMA requires each service component to provide a (5) five year plan, however, we (the Air National Guard) were unaware that there were going to be any lieutenant judge advocates considered by the Captain's board. The applicant was not on the ANG roster (he was assigned to USAFR) at the time ANG/MP projected promotions for FY 98. Based on this info, there was 0% selection rate. Through no fault of the applicant, there was no quota available. We were aware of this error during which time the board was convened, however, we could not change the quotas which had previously been approved by the Secretary of the Air Force. Therefore, we recommend relief to correct this error.
