RECORD OF PROCEEDINGS
AIR FORCE BOARD FOR CORRECTION OF MILITARY RECORDS

IN THE MATTER OF:

[REDACTED]

DOCKET NUMBER: 98-00405

COUNSEL: NONE

HEARING DESIRED: NO

Applicant requests that he be given credit for two additional missions. Applicant's submission is at Exhibit A.

The appropriate Air Force office evaluated applicant's request and provided an advisory opinion to the Board recommending the application be denied (Exhibit C). The advisory opinion was forwarded to the applicant for review and response (Exhibit D). As of this date, no response has been received by this office.

After careful consideration of the applicant's request and the available evidence of record, we find insufficient evidence of error or injustice warranting corrective action. Other than his own assertions, the applicant has not presented any evidence showing that he met the criteria for award of two additional missions. Should he provide documentation substantiating his contentions that he completed two missions for which he did not receive credit, the Board may be willing to reconsider his request. Based on the evidence provided, we conclude that there is no basis to recommend favorable action on the applicant's request.

The Board staff is directed to inform applicant of this decision. Applicant should also be informed that this decision is final and will only be reconsidered upon the presentation of new relevant evidence which was not reasonably available at the time the application was filed.

Members of the Board, Mr. David W. Mulgrew, Mr. Joseph G. Diamond, and Mr. Terry A. Yonkers considered this application on 21 July 1998 in accordance with the provisions of Air Force Instruction 36-2603 and the governing statute, 10 U.S.C. 1552.
