MEMORANDUM FOR AFBCMR

SUBJECT: Application for Correction of Military Records [REDACTED]

Requested Action. Applicant is requesting reinstatement to active duty based on supplemental promotion for cycle 97E9.

Basis for Reuuest. Applicant is requesting the above action based on the correction of **an** Enlisted Performance Report (EPR) closing out May 96. He was provided supplemental promotion consideration for cycle 97E9 and selected for promotion to **CMSgt** with a promotion sequence number of **5 18.5**, which has not yet been incremented.

Discussion. Applicant voluntarily retired from the Air Force effective 1 Apr 98, after serving 21 year 00 months and **24** days active service. **This** was strictly a voluntary action on the applicant's part because he could have remained on active duty until he reached **his** high-year tenure point at 26 years of active service. On 8 Mar 98, an Enlisted Performance Report (**EPR**) was corrected by the Evaluation Reports Appeal Board (ERAB). Based on the correction, applicant was considered for supplemental promotion to CMSgt and selected for promotion to CMSgt for cycle 97E9. Based on **his** promotion, applicant is requesting reinstatement to active duty.

Recommendation. None; however, we have no objection to applicant's reinstatement. If the decision is to grant the relief sought, the record will need to be corrected to show applicant was reinstated to active duty and the retirement orders dated 17 Oct 97 (Special Order No. AC-000847) will need to be rescinded. Applicant would be promoted to CMSgt when **his** promotion sequence number (518.5) is reached.
