MEMORANDUM FOR AFBCMR

SUBJECT: Application for Correction of Military Records - [REDACTED]  
[REDACTED]

Requested Action. Applicant requests promotion to major with subsequent date of rank.

Basis for Request. Applicant contends he was on the Army's promotion list to major with a date of rank to captain of 11 Jun 99.

Discussion.

a. Application is timely, as applicant entered active duty in the Air Force on 12 Jul 98. Applicant was transferred to the Air Force as a captain in the Medical Corps with a date of rank of 12 Jul 98. As of the date of this application, applicant's service dates have not been verified and therefore, his date of rank may be adjusted.

b. Applicant was recommended for promotion to major from the FY98 Major Army Medical Corps and Dental **Corps** Promotion Board which convened on 10 Feb 98. Per US TAPC memorandum, 31 Jul 98, had applicant remained in the Army, his promotion sequence number 153 would have been promoted on 11 Jun 99.

c. Upon his accession into the active duty Air Force, his selection for promotion was not transferred or accepted. DoD Directive 1300.4, 2 Apr 84, E10, states, "If a commissioned officer transferred between two of the Military Services is on a promotion list to the next higher grade under section of reference (b) (USC, Title 10), the Secretary of the Military Department concerned may integrate the officer into the promotion list of the gaining Military Service based on the officer's date of rank in his or her current grade in the losing Military Service." Procedures to allow for the transfer of an officer's promotion selection are not currently covered in existing Air Force Instructions.

d. Applicant has provided sufficient evidence of his selection for promotion to major.

**Recommendation.** Approval. AFBCMR, under the authority of the Secretary of the Air Force, direct the transfer of the applicant's promotion to the grade of major from the Army to the Air Force. AFBCMR direct the applicant's promotion effective date to major be established as 11 Jun 99.
