SUBJECT: Application for Correction of Military Record [REDACTED]

1. The requested correction cannot be accomplished administratively at this headquarters.
2. The applicant is requesting 10 non-paid inactive duty training (IDT) points for retention/retirement (R/R) year **20** August 1997 to 19 August 1998, and a year of satisfactory Federal service (Atch 1).
3. The following is an analysis of the circumstances surrounding this case:
  - a. Records at this Headquarters show the applicant has been assigned as **an** Individual Mobilization Augmentee (IMA) in the Air Force Reserve since 1 October 1996. Since **this** time the applicant has had three IMA program managers and two supervisors.
  - b. The applicant did not earn the required amount of points for a satisfactory year of service due to the lack of knowledge between R/R year and fiscal year requirements.
  - c. The applicant had been an active participant until assignment as an IMA. Attached is a computer printout showing **a** year-by-year breakdown of the applicant's past point history [REDACTED]
4. Recommend **this** application be approved. We believe the applicant did not fully understand the differences between R/R and fiscal year requirements. **An** article was published in the IMA update explaining the R/R and fiscal year requirements; however, this article was not published until August 1998.
5. If this application is approved, for retirement year ending 19 August 1998, applicant's record would show 13 active duty points, **22** IDT points, **0** Extension Course Institute points, 15 membership points, 50 total and retirement points and a year of satisfactory Federal service.
