Docket No: 9397-02

From: Chairman, Board for Correction of Naval Records  
To: Secretary of the Navy

[REDACTED]

Ref: (a) Title 10 U.S.C. 1552

Encl: (1) DD Form 149 w/attachments  
(2) NAVSUP ltr of 8 Oct 02  
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to show Petitioner was not indebted for shipment of her household goods (HHGs) when she was placed on the Permanent Disability Retired List (PDRL) effective 3 January 2000.

2. The Board, consisting of Messrs. Frankfurt, Leeman, and Ms. Humberd, reviewed Petitioner's allegations of error and injustice on 3 December 2002 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

#### CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

That Petitioner's naval record be corrected, where appropriate, to show that:

a. When Petitioner's HHGs were shipped incident to her placement on the PDRL in January 2000 "750" pounds of Professional Books, Papers, and Equipment (PBP&E) were included in the shipment of her HHGs and the packing material used to crate and ship the HHGs was increased from "10%" to "17 %". A one time weight of 750 pounds of PBP&E and a one time increase of the packing material was used to keep the Petitioner from being in excess of the weight allowance she was authorized to ship at government expense.

b. The Naval Transportation Support Center, Personal Property Audit Division will reaudit Petitioner's account and notify the Defense Finance and Accounting System Denver, CO that the Petitioner's HHGs were not in excess of that authorized to be shipped at government expense when she was transferred to the PDRL in January 2000.

c. After the above corrections have been made in the shipping of the HHGs Petitioner's Military Pay Account will show that she was never indebted to the US government for shipping her HHGs. Petitioner will be credited with any payments made and the total amount refunded. In addition, a letter clearing her of any indebtedness will be issued so she can furnish a copy of same to the Credit Bureaus so that Petitioner's credit record will be cleared. Her file in the Indebtedness Office may be filed under a Social Security Number (SSN) of 334-78-1892 which is incorrect and helped to create the problem. The correct SSN is 354-78-1892.

d. That a copy of this Report of Proceedings be filed in Petitioner's naval record.

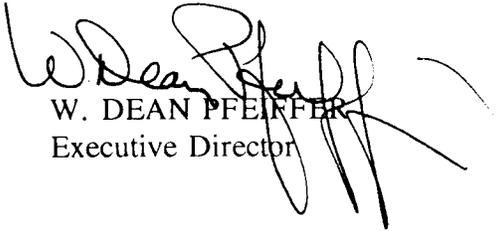

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
